THE PRESIDENT'S PAGE

By Glen Hawkins

Dear Jaguar Friends,

This is my final President's Page as I am moving into the position of Past President and looking back on two terrific years leading the Wasatch Mountain Jaguar Register. Thank you all for the support and participation. I loved trying new things like the tour of the newly refurbished Capitol building and new Hare and Hound rallies. We also introduced more dinner meetings and kept ample portions of driving events.

So it is with great pride that I introduce our newly elected officers, which includes the first women presidents of the club. Yes, I used the plural form because Liz Green and Susan Cady will share the presidential role as Co-Presidents for the 2010 term. The full board of directors will be announced at the Christmas party.

I wish to thank each of the board members for their hard work during the last two years. They are listed on the back cover of this newsletter with their positions, so I won't duplicate the listing. I will say that these fine people are the backbone of the club and each has sacrificed their time and money to make the club the success it has been.

Finally I want to thank Joy Hawkins for being editor and getting the news out to our members. She has also been a fine hostess at many of the events, welcoming guests and making sure things went well behind the scenes. Thank you, Joy.

I hope to see you at the Christmas party on December 12th.

Glen Hawkins
