FEBRUARY 2009 NEWSLETTER

Wasatch Mountain Jaguar Register

A member of Jaguar Clubs of North America

THE PRESIDENT'S PAGE for February, 2009

Well we kicked off 2009 in grand fashion with the TECH SESSION at J and Kay Jennings' Thermpro. There were 32 people present and it was a great session on carburetors, how they work, how to fix them, and how to tune your Jaguar.

This was a joint event with the British Motor Car Club and since the MG's and Triumph's share many of the same carburetors, members from both clubs had a lot of pointers and lessons from experience to share.

Sincere thanks to J. Jennings and Gary Lindstrom (both spoke at the session) for their instruction and advice that was shared with the group. It was a very good Tech Session.

For **VALENTINE'S DAY** on February 14 (Saturday) we will be having our party at Mo's Place Café at 497 W. and 4800 South in Murray. We'll meet at 6 p.m. and you'll have your choice of Sirloin Steak or a Vegan meal, all for \$20.50 per person. We have the restaurant reserved for just us, so the parking lot is safe from door dings. See the menu on a later page and you'll see this is a great value and a great meal.

We have an opportunity to buy the book "Jaguar the Complete Story" by Heiner Stertkamp at a 46% discount. This reduces the \$75 book to only \$43 including shipping costs. See Glen Hawkins to get on the order list, as we'll only order once as a group. You can see the book at the dinner meeting at Mo's Place.

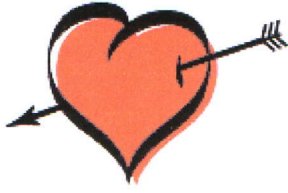

If you have not yet paid your DUES, please send them to John Green at PO Box 330, Farmington, Utah 84025. The dues are \$50 and please make your check payable to Wasatch Mountain Jaguar Register.

Hope to see you at Mo's Place on February 14th.

Glen Hawkins

Two blonde girls were working for the city public works department. One would dig a hole and the other would follow behind her and fill in the hole. They worked up one side of the street, then down the other digging a hole, and filling it back in. An onlooker was amazed by their hard work, but asked what they were doing. The hole digger wiped her brow and sighed, "Well I suppose it looks odd, but we're usually a 3-person team, but the girl who plants the trees called in sick."
