The Silver Auction is an interesting place to spend the day, even if you are not in the market to buy or sell. In addition to seeing some beautiful cars, it is a great place to "people watch". It is easy to get caught up in the activity of the moment and bid more than you intended.

The Cherry's XK-150 got bids over \$100k but did not meet Bert's reserve price.

Dale Baxter did sell his XJS at the auction. Hopefully they will buy a newer Jaguar and stay active with us.

Mark your calendars for the British Field Meet with the British Motor Club of Utah at Liberty Park on June 20<sup>th</sup>. Registration is just \$10 per car. A donation of \$5 per person is requested as well. Registration starts at 8 a.m. and cars will be in place by 9 a.m.

On July 25<sup>th</sup> we will have a Mystery Tour. These tours are a great time to polish up your Jaguar and show it off. There is a special sensation of being in your Jag and seeing the line of Jaguars in line.

The big event for our club is our annual Concour d'Elegance. This year it will all happen on August 8<sup>th</sup> in conjunction with the Austin Healey club. Details on the event and special lodging prices will be sent out as a separate email.

## Tata Motors to launch Jaguar, Land Rover brands in India this year

By Chris Georg

New Delhi - Indian carmaker Tata Motors Ltd announced Friday that it would be launching the British luxury brands Jaguar and Land Rover in India this year.

"Jaguar Land Rover ... has today reached agreement with Tata Motors Limited to be the exclusive importer," a Tata Motors release said Friday.

Tata Motors, which released the world's cheapest car, the Nano, in Indian markets in April, bought the premium British brands in 2008 for 2.5 billion US dollars.

"It is an important strategic move for Jaguar Land Rover and will enable us to realize our competitive potential in this significant market," Jaguar Land Rover's chief executive officer David Smith said.

Tata Motors has created a new division to handle the distribution of Jaguar and Land Rover and the first showroom would be in Mumbai, the release said.

**Large Display of Classic British Cars and Motorcycles**  
with everyone's favorite...The Road Course!

**British Field Day** will be held at **Liberty Park** again this year. It is time for all British car and motorcycle enthusiasts to get their rigs out of the garage, clean them up and get them running as well as can be expected. All British cars and bikes in any condition from 100- point restorations to works in progress, old daily beaters or rigs for sale are welcome. The more the merrier! All the British car/bike clubs are participating. Don't let those other marques make your club look like slackers. Call your fellow club members and get them to the event!

For the brave of heart, we will have the **road course** set up again this year on a closed access road inside the park. It promises to be as noisy and challenging as previous years!

During the event there will be, shop talk, bench-racing, catching up with old friends, drawings for raffle prizes and more. Liberty Park has many amenities. One of the largest and best playgrounds in the city, the Tracy Aviary and a small amusement park with a ferris wheel and merry-go-round. Even if your family doesn't share your passion for LBCs (little British cars), there will be plenty for them to do while you are getting your fix!
