WMJR JUNE DRIVE TO TAGGART'S By Susan Cady

Well club members, summer finally decided to arrive and we were able to get a dry weekend to take a drive in our Jaguars. We've had quite a wet Spring this year and had to postpone our outdoor events several times. We all met at the K-Mart parking lot on Parley's Way on Saturday morning, June 26, 2010 at 9:30 a.m.

Unfortunately, I was running late that morning due to problems at my work; however everyone was great and they didn't harass me too bad; the good thing was everyone spent time visiting and catching up on the past few months while they waited for us. Ken Borg worked Mike Cady over pretty good for not bringing out the XK-120, but Mike guaranteed it would be out in time for the Park City car show the end of July.

Mike and Susie Cady took the lead for the drive in their bright yellow Mustang convertible and John Green and

Susan Furner
Lizzy Green's

1997 XJ6L Jaguar Sedan. Lizzy couldn't join us because she was having fun

at Girl's Camp.

Other members in our caravan were Barbara Smitten in her 2002 S-Type, Ginger Goyzeta in her 1969 XKE roadster Ken and JoAnn Borg in their 1955 XK-140, Duane & LeAnn Allred driving Ken Borg's 1995 XJS Coupe, and Keith Gardner in his Mini Cooper.

We all traveled East up Parley's Canyon, turned off at East Canyon and went over Big Mountain where we stopped at the Summit to enjoy the view and take time for some photo opportunities. Everyone commented on how green and beautiful the mountains were from all of the rain this year.

We then headed towards East Canyon Reservoir and traveled over a portion of the Mormon Pioneer Trail. Along State Route 65 going to Henefer we saw lots of beautiful farming and ranching country with sheep and horses. We also came across three big buzzards feasting at the side of the road. Mike and Susie Cady's car startled them and they flew up right over the top

Member Spotlight: Joe and Judy Todd

By Liz Green

Joe was born in Salt Lake City, went to Olympus High School then on to the University of Utah getting a degree in Business.

Judy was born in Montana. Her father was a pilot for the Bureau of Reclamation so she lived in several places. She came to Salt Lake to go to Westminster College where she got a degree in elementary education. She taught school until 2 years ago when she retired.

Joe works at Edwards Life Sciences in Midvale where they do the plumbing to hook a heart patient to the heart lung machine.

When Joe was 16 his dad bought an XK120 which Joe drove all over the place. He sold it later to pay for his first child. In 1978 he bought his MKII. He

became a member of the Wasatch Mountain Jaguar Register when they

friends. Judy's husband had died. Joe said, "Judy's husband went away and he sent his wife away". They have been married 11 years.

Judy had 2 children and has a grandchild due in the fall. Joe had 3 children and has 6 grandchildren. They have a Shiba Inu dog (like a small Akita — ed.) named Kayenne.

Judy likes to do genealogy, crossword puzzles, reading and sudoku. Joe works on his car, likes frontier rendezvous, and does the 2nd cannon in the 1812 overture. They perform at Deer Valley and Weber State University.

applied for the charter at JCNA.

Judy and Joe met through some mutual

sity.

We are happy to have these great people in our club.

WMJR JUNE DRIVE TO TAGGART'S

of the Mustang convertible. I'm not sure who was more surprised, us or them.

From Henefer we drove West on I-84 to Taggart's Grill in Taggart where we enjoyed a wonderful lunch out on the patio area surrounded by beautiful flowers, at least three peacocks a waterfall pond and a background of rugged mountains.

If you've never been to Taggart's Grill you are missing out on a great experience. The food is wonderful and the ambience is great. Oh, and by the way ... don't miss out on the bakery. They have goodies galore. You've got to try the carrot cake, some of the best around. Several of us loaded up on pastries to take home. Only problem was making a choice from all of the yummy selec-

tions.

After filling our bellies and enjoying each other's company, it was time for us to depart. Several of the club mem-

bers returned home via the same route so they could spend more time enjoying the sights and spending some time

at the historic monuments along the Mormon Pioneer Trail.

Everyone really had an enjoyable day together and we really missed our other club members. Keep in mind that the Rally with some of the other car clubs in the area has been rescheduled; check the events calendar in the newsletter.

Also remember to mark your calendars for our WMJR car show with the Austin Healy Club on July 31st in Park City. If you haven't registered, please do so right away so we can ensure you a spot for your car and have an accurate count for our dinner that evening.

Jaguar 75th Anniversary To Be Honored At Utah Concours d'Elegance Saturday August 28 At Thanksgiving Point Gardens

This year marks the 39th annual [Utah Concours d'Elegance](#) held Saturday, August 28, from 10 am until 8 pm at Thanksgiving Point's Garden. A special display of Jaguars is planned in honor of the 75th anniversary of the marque.

Over 100 rare, exotic, antique, and collector automobiles from all over the United States are going to be on display representing all eras of automobile history. We are also pleased to announce an amazing collection of muscle, modified, fins, and classics, American and European automobiles sure to please every automobile enthusiast.

Utah Concours d'Elegance is the place to be to celebrate the automotive achievements of the past century,

to visit with the owners of these amazing automobiles, and to remember by-gone eras.

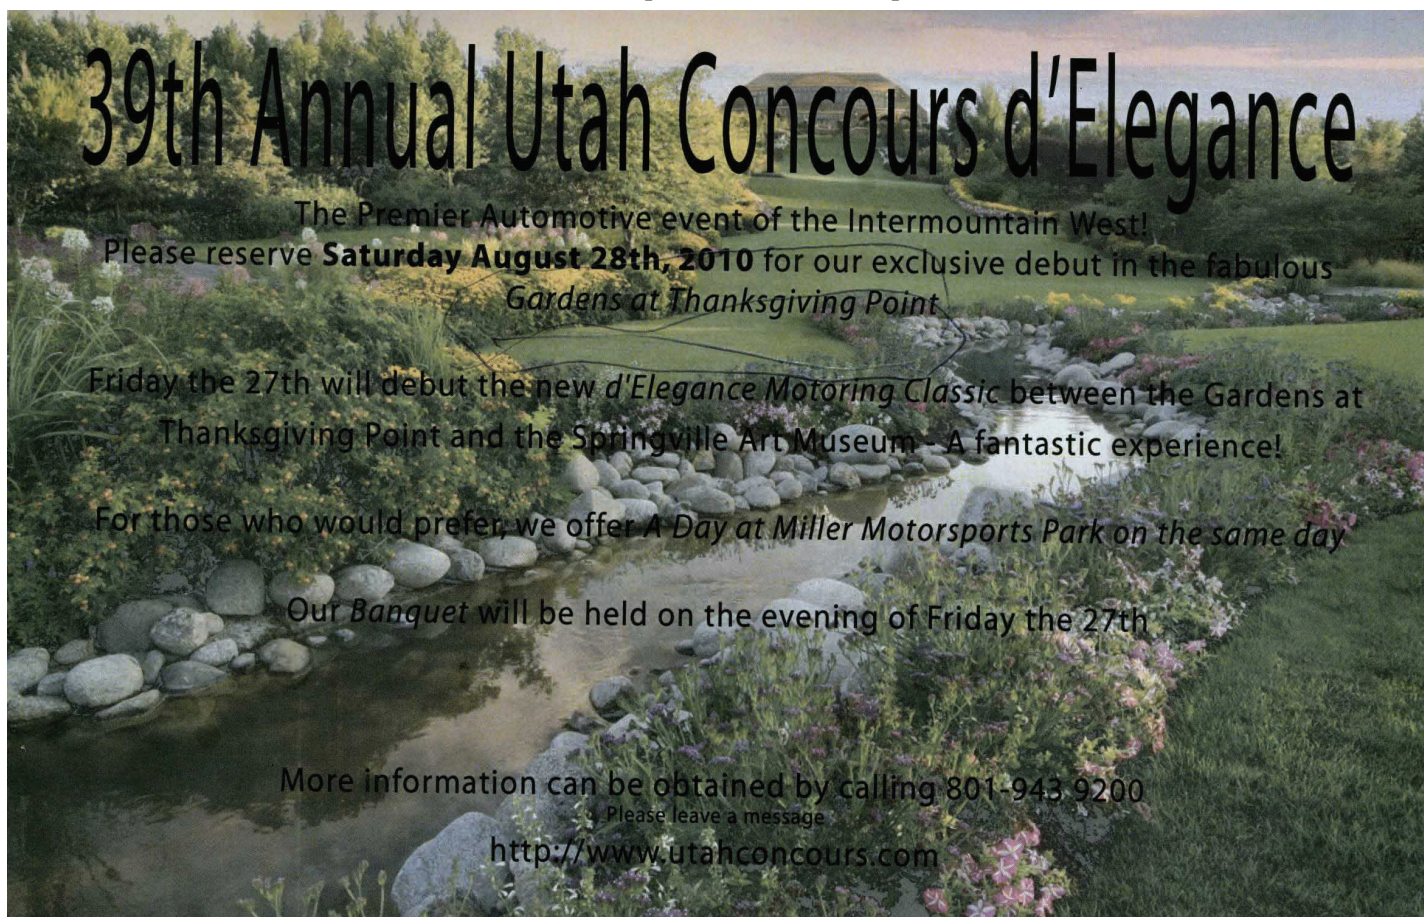

The Concours d'Elegance has a proud history dating back to 17th century Europe and welcomes a host of visitors from around the world to its annual celebration of the automobile. For 39 years, Utah has carried on this legacy and this year's show proves to be the best yet!

While building upon tradition, dramatic improvements have been made to enhance the enjoyment, convenience, and experience of this year's show. More shade will comfort exhibitors and spectators alike while trophy winners will be given the red carpet treatment of a po-

dium-based awards ceremony in front of the largest man-made waterfalls in the Western Hemisphere. [See what's new.](#)

People in period customs will add to the ambiance of this spectacular display. This year also marks a shift in the judging methodology to better reflect the worldwide Concours d'Elegance program.

Join us on Friday, August 27 for a motoring tour of these amazing automobiles and banquet with the drivers and owners. Proceeds from this year's event will go to support a number of worthwhile charities including the Make-A-Wish Foundation, the Museum of Natural Curiosity at Thanksgiving Point, and other worthy charities.

WMJR Concours At Healey Days July 31 Park City

The Bonneville Austin-Healey Club and the Wasatch Mountain Jaguar Register are sponsoring a Classic Sports Car Show on July 31st. The show will again be held on Lower Main Street in Park City. Cars will be displayed from 10:00 A.M. to 2:00 P.M.

Entrants will vote for the various classes of cars. Spectators will vote for the Peoples Choice Award. The awards will be given at 2:00 P.M. The Wasatch Mountain Jaguar Register will be holding their annual Concours for Jag-

uar owners.

On Sunday August 1st a tour of the Wasatch Back is planned. You are also invited to participate in the Tour. The tour will leave from the Lodge parking lot at Park City Mountain Ski Resort at 10:00A.M.

We only have 75 spaces for the show so early pre-registration is highly suggested. **A registration form on the [next page](#).** Please send yours in early to be sure and have a space to show

your prized possession.

This is also the last weekend for a week long very large softball tournament that is rapidly taking many rooms. I just secured rooms for the Healey Club and could forward some other options to you if you are interested. Most rooms are in the low \$100 range. At Kimball Junction the Hampton Inn and Holiday Express have rooms at \$89 or possibly less with AARP or AAA. The Park City Marriott will go \$99 if the WMJR decides to have the banquet there which is quite reasonable.

—Thanks, Jim Revel

Taking Your Car To The UK?
Here's An Easy Fix For That Pesky RHD issue

Hal Cannon's Mark I Saloon at British Field Day 2009

British Field Day 2010, July 17

British Field Day has been rescheduled due to the Chevron oil spill to Saturday July 17. It's still at Liberty Park from 9 am to 3 pm. This is the time for all British car and motorcycle enthusiasts to get their rigs out of the garage, clean them up and get them running as well as can be expected.

All British cars and bikes in any condition from 100-point restorations to works in progress or an old daily beater are welcome. The more the merrier! All the British car/bike clubs are participating. Call your fellow club members and get them to the event!

For the brave of heart, we will have the road course set up again this year on a closed access road inside the park. It promises to be as noisy and challenging as in previous years!

During the event there will be shop talk, bench-racing, catching up with friends, and more. Liberty Park has many amenities including one of the largest and best playgrounds in the city, the Tracy Aviary

and a small amusement park with a Ferris wheel and merry-go-round. Even if your family doesn't share your passion for LBCs (little British cars), there will be plenty for them to do while you are getting your fix!

The non-profit Salt Lake Community Network (SLCN) will be providing volunteers to assist with the event so the organizers can have more time for some fun, too! The Salt Lake Community Network is a non-profit umbrella organization for the Salt Lake City Community Councils. The community councils are neighborhood organizations that provide input from residents to city government.

Food this year will be California style with a bold Asian influence including Asian tacos, sliders, salads and more made available at reasonable prices by CHOW HAUTE ASIAN CUISINE ON THE GO. The CHOW Truck will be inside the event.

Liberty Park is located between 500

East & 700 East and 900 South & 1300 South. The BFD event will be held in the northeast quadrant of the park. Enter off 1300 South and drive east and north about a quarter of the way around the park. You will see the event on the left.

Please help support SLCN by bringing your cars and bikes out to join in the fun. Registration starts at 8 am. We hope to have most bikes and cars in place by 9 am and we encourage folks displaying vehicles to try to stay until 3 pm, but if you can only make it for a couple of hours, that's fine too! The registration fee is \$10 per bike or car. A \$5 donation is requested per adult. Kids 12 and under are free.

Check out the BFD website at: www.britishfieldday.com (ed. note: at last look it still showed details for last year). For more information, please email Bill Davis at: gbrovers@aol.com
