## Annual Halloween Party October 23, 2010

*By Liz Green*

Our annual Halloween party was held again at J and Kay Jennings. They have the perfect party room in their house. For the 1<sup>st</sup> half hour we just talked and talked. Then we got down to the food.

We had a great variety as usual, salads, pulled pork sandwiches, chicken broccoli casserole, chips and all kinds of dips, candy, and to die for chocolate cake and pumpkin pie.

We ate till our stomachs were content then we played a game where J had looked up British car names and put them on a piece of paper. He called out letters like bingo and we crossed out the letters on the car names until someone

was able to cross off all their

letters. Those that won were: John Green, Mike Cady, and Gary Lindstrom. The prizes were bobble head dolls in a Halloween cup. Liz Green and Mike Cady also won a prize for sitting in chairs that were covered with pumpkin fabric. They got Halloween toilet paper.

Those in attendance were: J and Kay Jennings, John and Liz Green, Ed and Michelle Higbee (J & Kay's daughter and son-in-law), Gary and Sandy Lindstrom, Bud and Betty Merritt, Barbara Smithen, Dan and Kim Neilson, Dave and Debi Hobson, and Mike Cady (Susie was at her sister's birthday party).

We had a great time and missed those who were not able to come.

# Member Profile: Dan and Kim Neilson

## *By Liz Green*

Dan was born and raised in Salt Lake City. He graduated from Cottonwood High School and then went to LDS Business College where he got his Associates Degree.

Kim was born and raised Richfield, UT. She graduated from South Sevier High School and also went to LDS Business College. This is not where they met however. They met through mutual friends in Richfield.

Dan is an air traffic controller, guiding planes anywhere from Salt Lake to the Canadian border. He will be retiring in 3 years and 8 days from Oct 23<sup>rd</sup> when I

talked to him at the Halloween party. With this type of work it is a mandatory retirement. Kim worked for the Jordan School District in the accounting department until it was split into another dis-

trict. She now does the same thing but for the Canyon School District.

They have 3 girls, 2 and 1/2 grand children. The 1/2 grand

child will be born in April 2011. They have a 1/2 Siberian 1/2 Mexican Wolf dog for a pet. His name is Scamper. They inherited him from their daughter's friend that was to be for few months stay and has turned out to be 4 years.

Their Jaguar is a 1968, red, 2 plus 2, E-type. It has an engine problem which is waiting for retirement, to be fixed.

They like Mexican food; however, Dan says he really likes most foods. They own a sail boat that is at the Great Salt Lake in the summer and their home in the winter.

They love to sail. Dan also loves sporting clay shooting and photography. He is looking forward to spending time doing both when he retires.

Dan and Kim are great jag club members. They are always very supportive of club activities. We appreciate their support and are always happy to socialize with them.

## SNG Barratt Jaguar Photo Competition

Following a tremendous response from all the budding photographers out there, SNG Barratt has been asked by many of you for a little more time in order to get that 'perfect shot'.

So we are pleased to announce that they are extending this year's photography competition with the new closing date of Friday 10<sup>th</sup> December 2010.

This will give you the opportunity to capture your Jaguar against those golden autumn backdrops and clear frosty mornings, for the chance to win vouchers to spend on parts for your Jaguar with any branch of the SNG Barratt Group.

What they're really interested in is quality of the image, and the originality of the idea. Strange locations, weird angles and crazy lighting are all welcome. Here are our 3 top tips to help:

1. Use a tripod or place your camera on a solid object, this will help keep the image in focus.
2. Use the timer function or a shutter trigger.
3. Avoid bright sunshine and try to shoot at the golden hour (sunrise or sunset).

**1st Prize \$450**

**2nd Prize \$275**

**3rd Prize \$140**

To obtain an application form simply send an e-mail request to [competition@sngbarratt.com](mailto:competition@sngbarratt.com) or phone our UK branch...Good luck and happy snapping! Closing date for entries is Dec 12, 2010.

## Steven L. Chandler 1944—2010

*Ed. Note: Steve Chandler was a long time WMJR member who is sadly missed by all who knew him. He and Jaylene owned an XK150. The following obituary ran in the Salt Lake Tribune October 3 to 8. The club made a donation in his memory to the Huntsman Cancer Institute — Liz Green.*

A celebration of the life of Steven L. Chandler will be held Saturday, October 9, 2010, at 10:00 a.m., in the Chapel at Wasatch Lawn Memorial Park, 3401 Highland Drive, Salt Lake City. Steve died on September 30, 2010, after a courageous battle with cancer.

He joins those who predeceased him: his parents, Harry (Hal) William and Helen Merrill Chandler, his in-laws James (Jay) and Genevieve Curtis. He was born in Salt Lake City, May 21, 1944, and was a member of The Church of Jesus Christ of Latter-day Saints. Steve is survived by Jaylene Curtis Chandler, his sweetheart,

friend, partner and wife of 47 years; his son, Steven Curtis Chandler (Melissa) of Salt Lake City his daughter, Merrill Chandler Sutherland (William) of Campbell, California; and his adored grandchildren: Chandler Anne, William (Liam) Sutherland, and Steven Cole Chandler. He leaves his family: Bill

and Connie Mueser of Moraga, California; Craig and Sharon Chandler of St. George, Utah; and Ellen Chandler of Boise, Idaho; Don and Gayle Miller of East Wenatchee, Washington; and Nancy Curtis Birdsley of Sandy, Utah.

Steve graduated from Highland High School, where he was on the wrestling and track teams and earned recognition as an All-State linebacker on the football team. He attended the University of Utah and enjoyed his life-long membership in the Crimson Club.

Family was the most important facet of Steve's life. He was a dear, generous and loving husband, father, grandfather, son, brother, and uncle. Steve fell in love with Jaylene in the 8th grade and shortly after high school graduation they were married. Their children, Steve and Merrill were the joy of his life until he experi-

enced grandchildren. He loved to spend weekends with the family boating, camping or skiing. Christmas was a holiday of particular importance; Steve insisted everyone gather at his house for the special day.

In 1972, Steve's father-in-law, Jay Curtis, asked him to join L. N. Curtis & Sons, a fire equipment distributor started by Jay's father in 1929. Over the next 37 years he worked with passion and commitment to grow the company. He rose to the position of Sr. Vice President and Owner. He expanded the company into new regions and oversaw branch offices. But the most endearing element of his career was the friendships created with the many wonderful members of the fire services. He took great pride in mentoring young employees and seeing them develop into productive individuals. The people of L. N. Curtis & Sons were a big part of his family. Steve cared for them deeply.

Steve was an automobile junkie with a lifelong passion for cars. He bought his first car, a 1950 Ford convertible, using

money from a paper route when he was 13 and hid it in the garage down the street, until his mom heard the "news" and sold the car. He bought cars; he sold cars; he fixed cars; he drove cars. He enjoyed antique cars, hot-rods, and vehicles of every vintage. One learned to never fall in love with Steve's cars, because it might be gone by the next visit.

When Steve pursued an activity, he invested 100%. He loved horses and spent time as president of the American Saddlebred Association. He enjoyed skiing the beautiful Wasatch Mountains and trained to be an official for the World Cup and a gate judge for the 2002 Salt Lake City Olympics. He took up the game of tennis at the age of 40 and maintained a competitive level of 4.0 into his late fifties. He loved motorcycling with Jaylene and was able to ride through much of the United States on his Harley. His collection of scooters, boats, motorcycles, snow mobiles, tractors, and 4-wheelers were always the best, and meticulously maintained.

Steve spent his final years fulfilling a lifetime dream that was inspired by his father, ranching. He purchased the Lower Blacks Fork River Ranch in Ft. Bridger, Wyoming. He and Jaylene built a beautiful home that captures the peace of the plains and the serenity of the Uinta Mountains. He worked hard to clear brush, upgrade fences, and improve the grounds. He found a new calling as a cowboy and the "Jolly" rancher.

Steve Chandler approached life with optimism, energy, confidence and enthusiasm. He said, "I have a wife, two children, three grandchildren and a dog. What more could a man want?" He leaves a grieving family, immediate and extended; a legacy of an abiding work ethic, of love, compassion and integrity, and a multitude of friends and coworkers who were enriched by having him in their orbit.

We are grateful for the friends, and Doctors at the Huntsman Cancer Institute, and the kind care of Love Hospice. In lieu of flowers, please donate to The Huntsman Cancer Institute, or The Shriners Hospitals for Children.

Due to the change in administration we can offer Jaguar Journals in sets in the shoppe as JJSET. We will fill any needs that are possible in updating your club library or an individual library.

As it is almost the Christmas season and I en-

courage all of you to take advantage of JCNA's JAGUARUS book in the shoppe by Dugdale/Cook. Simply put if you have not read this work you do not understand the impact of the US on Jaguar. It is also available at 50% discount to any site you might find!!!

We also want to remind you that the E50CAL (2011 calendar) is available and would make a great present for the holidays (see p. 8). This is the first year for the JCNA calendar and you will want to have a first issue so that 10 years from now you will have a complete set. These are produced in limited quantity and you need to act now if you want them. Once gone they are gone. Thanks for your support this year since April and if you have any request for products or ideas please contact us.
