Jaguars Sighted On Tintic Mining Loop Saturday May 30

The Bonneville Austin Healey Club refers to non-Healey cars on their tours as BJ9's, in honour of their famed model BJ8.

of overcast which kept the temperatures down and made for very pleasant driving conditions.

Penny's features massive burgers with quaint names such as *Toxic Waste* and *Mustard Gas*.

Well, I propose we amend and adopt this terminology by referring to non-Jaguars on our tours as XK9's.

After lunch we did a quick drive through the historic mining town of Ophir and on to Fairfield, home of the Camp Floyd and Stage

Coach Inn State Park. On our Tintic Mining Loop tour on May 30 there were several XK9's but also seven and a half genuine Jaguars — the half being my own 1960 TR3A roadster, which I consider to be a Jaguar in drag.

After rendezvousing at the South Jordan athletic fields on Redwood Road the troop headed south through Saratoga Springs to Elberta at the south shore of Utah Lake. Then we headed up the hill to Eureka. After a quick stop we traveled on through Vernon to Stockton, where we lunched at Penny's Diner.

Coach Inn State Park.

This turned out to be a highlight of the trip, featuring a very lively and informative lecture presentation by a re-enactor gentleman in full period Army regalia.

There was also a very well done

video with historical figures played by professional actors.

Camp Floyd was the encampment of Johnson's Army, sent out to protect the overland stage and Pony Express routes, as well as keep an eye on Brother Brigham and his followers.

The latter had the last laugh on the Army as the Mormons profited nicely from selling supplies to the Army and reaping a windfall

when the troops had to hasten back east for the start of the Civil War. This required a hasty auction where \$4 million in supplies were auctioned for only \$100k. In many ways this army "invasion" was the best thing that ever happened to Brigham & Co.

All in all it was an entertaining and invigorating tour on delightful rarely traveled roads. More than one participant re-

marked "We really need to do this more often!"

Participating were Dick Bowen and family, (XJ8), John and Liz Green (XJ6 L) , Jerry Gill (3.8S Saloon at the rendezvous — see photo on [p. 6](#)), J and Kay Jennings, Ken and JoAnn Borg, Duane and LeAnn Allred, Marvin, Connie and Steve May (XJ12 coupe), Pat and Janet Patterson (S-type), Mike, Susan and Tess Cady, Steve Thomas (2000 XK8 roadster), Bryan Butcher (1999 XK8 roadster) and your obedient scribe Gary Lindstrom (1960 TR3) .

Interested In A Nifty WMJR Grille Badge?

Our Esteemed President Jerry Gill would like to know if there is enough interest in a WMJR grille badge to put in an order.

These were last done 20 or more years ago and were very popular. In fact you have probably seen some on the cars of long time members.

If you are interested please contact Jerry at 801-272-7274 or camberley2000@hotmail.com
