Christmas Party December 8 [Ruby River Steak House](#) In Ogden

The annual WMJR Christmas Party Tuesday, December 8 at the Ruby River Steak House in Ogden was a great time.

Diners enjoyed New York steak, chicken, or salmon before exchanging gifts valued at \$15 or thereabouts.

The staff was amazingly efficient and pleasant even for our raucous group, and despite disavowal were about to have steaks cooked more or less to each diner's taste.

Attending were John and Liz Green, Ken and JoAnn Borg, Art and Martha Pasker, Duane and LeAnn Allred, Bud and Betty Merritt, Barry Hanover and

Allison Richards, Lee and Judy Taylor, J and Kay Jennings, Marvin and Connie May, Barbara McQuaid.

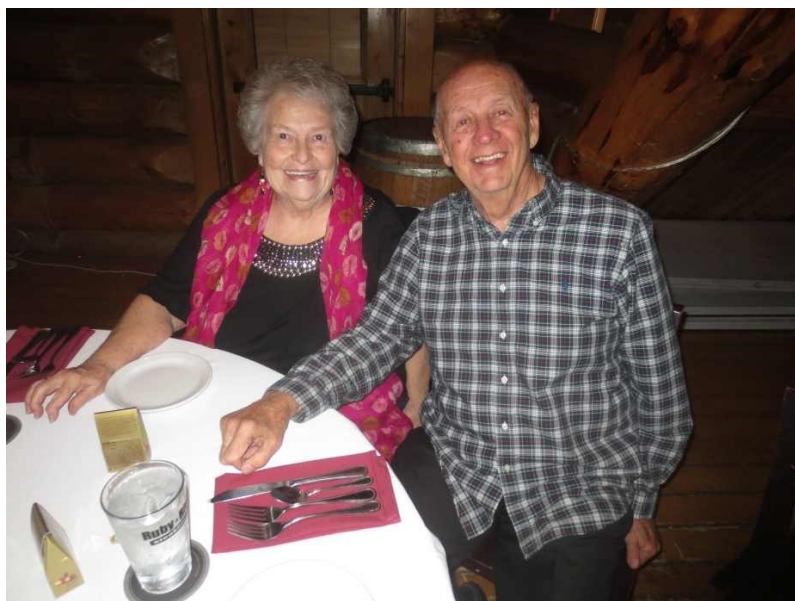

Roland and Sandy Held, Jim and Her-

mione Klekas, Mike and Susan Cady, John and Liz Green, Jane and Mitri Muna, Jesse and Debbi Green, Jerry Gill, and Your Obedient Scribe Gary Lindstrom.

John Surtees Appointed Commander of the British Empire

Posted on January 6, 2016 by [Just British Staff](#)

John Surtees, the only person to win world championships on both four and two wheels, has been awarded a CBE in Britain's New Year's Honours list 2016.

John Surtees appointed CBE The Order of the British Empire "recognizes distinguished service to the arts and sciences, public services outside the Civil Service and work with charitable and welfare organisations of all kinds." After being made a Member of the British Empire (MBE) in 1959 and an Officer of the British Empire (OBE) in 2008, the 81-year-old has now been honoured with Commander of the British Empire.

The award is in recognition of his services to motorsport and the charitable work of the Henry Surtees Foundation, named in honour of his son, who lost his life in a Formula 2 crash at Brands Hatch in 2009.

Upon the announcement John Surtees said "I am obviously honoured to receive this further recognition. It is recognition, as far as I am concerned, not only for myself but for the world of two and four wheeled sport and the teams I have worked with. Fast forward to more recent times I would thank and include in this honour all those that have helped and supported our dreams, ambitions and work for the Henry Sur-

tees Foundation."

John Surtees enjoyed a glittering competitive career dominating the British circuits in 1954 and 1955 before starting his World

Championship career on two wheels with winning the 500cc Isle of Man TT and the 500cc World Championship for the first time. John had ridden Triumph, Vincent, REG, NSU and Norton before joining MV Agusta. He recorded 38 motorcycle grand prix wins..

The Brit won four 500cc and three 350cc world titles from 1956-1960 alongside six Isle of Man TT victories.

John Surtees combined contesting and winning two World Motorcycle Championships in 1960 with being invited to join Colin Chapman's Lotus Formula One team to drive when his motorcycle commitments allowed. He finished second in the British Grand Prix and set pole position and record lap and led the Portuguese Grand Prix until having to retire late in the race

Retiring from motorcycles at the end of 1960, after a seamless transition to four wheels, he took his first Formula One Grand Prix victory at the Nurburgring in 1963 in his first year at Ferrari before going on to win the world championship the following season.

He finished second in the 1966 Formula One World Championship driving two marques of car after his split from Ferrari and his joining the Cooper Maserati team. He won the prestigious inaugural Can-Am Sports Car Championship Series in America driving a Lola T70. A move to Honda followed for 1967 and with the RA 301 in which John played a large part in its development; he won the 1967 Italian Grand Prix at Monza.

Surtees also enjoyed considerable success in prototype sports cars winning at circuits such as Sebring, Nurburgring and Monza. He gained a podium at the Le Mans 24 Hours in 1964.

2016 WMJR / JCNA Dues Are, Well, Due January 20!

Yes, it's that time once again.

To paraphrase Queen Victoria (or so it goes):

- 1) Get out your cheque book
- 2) Close your eyes and think of all the wonderful benefits that ensue from membership in our wonderful organization(s) including *Jaguar Journal* and this here newsletter
- 3) Write a cheque for \$50 payable to WMJR and mail it to John Green, PO Box 648, Farmington UT 84025
- 4) Open your eyes—Oh I guess that should have been between (2) and (3).

British Humour Section

We all know that British humour can be a bit, umm, different—just think of Benny Hill.

This being a slow news month I thought I'd chew up some space with a sample. Depending on response this may or may not be continued, with or without contributions from the membership, e.g., a one way ticket for the Publisher to Novosibirsk.

Five Irishmen in an Audi Quattro arrive at the Italian border.

The gorgeous blonde Italian customs agent stops and tells them, "It's illegal to put five people in a Quattro."

"What do you mean it's illegal?" asks the driver.

"Quattro means four," replied the blonde.

"Quattro is just the name of the car," the Irishman retorted in disbelief, "Look at the papers, this car is designed to carry five persons."

"You can't pull that one on me," replies the Italian customs agent, "Quattro means four. You have five people in your car and are therefore breaking the law".

The driver replies angrily, "Brainless idiot! Call your supervisor over - I want to speak to someone with more intelligence!"

"Sorry," she said sweetly, "he can't come right now. He's busy with two guys in a Fiat Uno."
