## Brunch At Brighton's [Silver Fork Lodge](#) Saturday May 20

It was sunny and cool with no snow for this year's Silver Fork Lodge Brunch.

The food and service as always

were tasty and efficient, respectively.

Special note was made of the return from the Indisposition Ward of the May XJS, shown here.

were Ken and JoAnn Borg, Jim and Jeff Klekas, Connie, Marvin and Steven May, John and Liz Green, J and Kay Jennings,

Turnout was good as was the banter and tall tales of mechanical der-ring do.

Seen in the crowd (as the society pages say)

Jim Revel, Bud and Betty Merritt, and Your Obedient Scribe Gary Lindstrom.

As always, apologies to any we missed.

# Shouldn't We Be Wearing A Seat Belt!?

By Eleanor Hayward  
*The Daily Mail* 13 May 2017

The 91-year-old took to the wheel of her green Jaguar as she was spotted driving home from a Sunday morning service at the Royal Chapel of All Saints in Windsor Park with a security guard, wearing a blue suit and matching hat.

The Queen has a well-documented love of cars and driving, and is regularly spotted behind the wheel on her Sandringham estate and often drives to the church near the Royal Lodge on the Windsor estate.

While she is always chauffeured during royal occasions, the Queen is in fact a capable driver, having learnt to drive while serving as a mechanic in the Women's Auxiliary Territorial Service during the Second World War.

Over the years she has been photographed on numerous occasions taking to the lanes of her Sandringham estate in a trusted Range Rover.

The monarch is the only person in the UK who is permitted to drive without a licence and is the only person allowed to drive down the 2.6-mile Long Walk in Windsor apart from park rangers.

Her Majesty is no stranger to getting behind the wheel, driving ambulances during her time in the Auxiliary Territorial Service during the Second World War (pictured in 1945)

More often than not however, the Queen has to be driven by chauffeurs to engagements.

But that doesn't stop Ma'am from paying an interest in where she is going.

Last year, the Queen played chauffeur to her granddaughter-in-law Kate in Balmoral, driving the Duchess of Cambridge to a picnic lunch

ing.

Just last week, she was photographed alongside Prince Philip travelling back from a visit to Leicester Cathedral.

Showing the location of speed cameras and significant locations in 72 major towns and cities, the map would give the head of State all the information she needs to keep a close eye on the driver.

The Queen's outing today shows she has no plans of slowing down after the news that her husband Prince Philip will retire later this year.

with Prince William.

## British Field Day Saturday June 17, 9am—2pm

British Field Day (BFD) will be held at Liberty Park again this year. All British cars and bikes in any condition from 100-point restorations to works in progress or an old daily beater are welcome. All area British car/bike owners and clubs are invited to participate. Call your friends and fellow club members to get them coming to the event!

There will be a road course set up on a closed access road inside the park. It promises to be as noisy and challenging as in previous years!

Liberty Park has many amenities including one of the largest and best playgrounds in the city, the Tracy Aviary and a small amusement park with a Ferris wheel and merry-go-round. Even if your family doesn't share your passion for LBCs (little British cars), there will be plenty for them to do while you are getting your fix!

The Salt Lake Arts Academy, a public charter school with emphasis on the arts, will be providing

volunteers to assist with the event so the organizers can have more time for some fun, too! Publicity for BFD and the running of the event that day with BFD oversight will be handled by the Liberty Wells Community Council. Liberty Park is part of their neighborhood community.

There will be food available at the event. Plans are for a breakfast oriented food truck and a second more lunch oriented truck to be there.

Liberty Park is located between 500 East & 700 East, and 900 South & 1300 South. The BFD event will be held in the north-east quadrant of the park. Enter off 1300 South and drive east and north about a quarter of the way around the park. You will see the event on the left.

Please help support the Salt Lake Arts Academy and Liberty Wells Community Council by bringing your cars and bikes out to join in the fun. Registration starts at 8 AM. We hope to have most

bikes and cars in place by 9 AM. We encourage folks displaying vehicles to try to stay until 3 PM, but if you can only make it for a couple of hours, that is fine, too! The registration fee is \$10 per bike or car. The maximum registration fee is \$20 per registrant regardless of the number of cars or bikes they bring. A \$5 donation is requested per adult admission. Kids 12 and under are free.

Although it is not required, you can speed up the registration process by printing out the registration form on the next page, filling it out, and bringing it along with you on the 17th of June.

For questions regarding BFD or American with Disabilities (ADA) accommodation please contact: Bill Davis, 801-860-6975.

Setup is Friday evening at 6:00 pm, and if you would like to volunteer just show up and bring a hammer and a staple gun.
