Jaguar elegance: The beauty that's more than skin-deep

Inspect each sweep, each curve, each fluid line of any Jaguar, and you bear witness to Jaguar elegance—a grace of styling that has been engineered from within the heart of the automobile itself. Jaguar elegance is reflected here in two exciting motor cars. One, the new Jaguar XK-E, is available either as an open sports roadster with interchangeable soft or hard top or a completely enclosed *Gran Turismo* coupe. For the family man who requires a roomier vehicle, there is the versatile Jaguar 3.8 Sedan. Pure Jaguar from the word go, this car has been titled "the sedan that behaves like a sports car." Discover Jaguar elegance yourself. See and drive either of these fine Jaguars soon at your local dealer's. JAGUAR CARS INC., 32 East 57th Street, New York 22, N. Y.
