- RA positions in other departments
- Work-Study for Permanent Residents and Citizens

Tuition Benefit Program (TBP)

- TA-Graduate Teaching Assistant
- RA-Graduate Research Assistant
- GA-Graduate Assistant (may have same job description as TA or RA, but paid from a different fund. Health insurance is not included)
- GA- SoC Fellowship funded students
- GF- Graduate Fellow- different from SoC Fellowship funding

TBP continued

- Requirements:
 - Enroll in **9 credits** per semester
 - On payroll according to TBP policy
 - \$7,000 per semester= 100% TB (20 hours per week)
 - \$5,250 per semester= 75% TB (15 hours per week)
 - \$3,500 per semester= 50% TB (10 hours per week)
- MS students- 4 semesters of TB
- PhD students with BS upon arrival- 10 semesters of TB
- PhD students with MS upon arrival- 8 semester of TB
- **Domestic students on TBP**- when at **40 credit** hours, you must apply for residency status.

TBP continued

- GPA minimum 3.0
- If GPA falls below 3.0, you are covered for that semester, but will not be covered for the next semester
- Cannot receive TB if below 9 credits
- EU grad= Unofficial withdrawal- you are still enrolled, but did not attend. Treated as failing grade (E) for GPA
- EU grade= can make you fall below 9 credits enrollment= lose TB= have to repay the tuition fully
- TBP does NOT cover a dropped course. You will pay the tuition
- Tuition Benefit enrollment form **due every semester**
- You must verify the information is correct through the Electronic Verification System

Cheating Policy

- Check with your professor about how much you can collaborate with peers.
- You will be required to sign the Academic Misconduct Policy form
