

School of Computing Academic Misconduct Policy Acknowledgement Form

My signature on this form indicates that:

- I have read and understand the School of Computing policy statement on academic misconduct.
- I understand that for any CS course or equivalent cross-listed course by another department that this policy applies.
- I understand that if I violate the academic misconduct policy, where academic misconduct in any CS course is defined by the instructor for that course on the course web page, then I may receive a failing grade sanction for that course even if I subsequently withdraw from the course unless an appeal is successful.
- I understand that if I receive two failing grade sanctions in CS courses due to academic misconduct that I will be immediately dropped from any School of Computing degree program and will not be allowed to register for any other CS courses in the future.
- I understand that failing grade sanctions (unless successfully appealed) will be kept in my permanent record in the School of Computing office.
- I understand that if I fail to file this form in the School of Computing office that I will be asked to withdraw from the course or receive a EU grade for the course.
