

CS4500 Project Initiation Documentation (Bid)

Due: Friday 15 January by Midnight

You must submit bids (Project Initiation documents) for 3 projects; they may either be self-proposed projects or industry proposed.

For each bid, use the Project Initiation Document format given in the recommended text for the class on p. 45 (and pp. 159-161). This should include:

- Need (Business, Entertainment, etc.)
- Project Objective
- Key Deliverables
- Estimated Timeline
- Initial Organization
 - Project Team (class members)
 - Project Board (T. Henderson, any sponsors)
- Required Tools and Skills and How Team Covers This
- Team Rating of Project (0: Lowest Priority to 5: Highest Priority)
