

CS CS4500 Weekly Management Report

Team Name: 3D'S

Accomplishments

(Be specific - what was accomplished and who participated)

We all met together and decided which projects interested us and which ones we wanted to ignore. We then began discussing projects that we could propose as a team. Finally we chose our two favorite projects and wrote project proposals. Danny made (and will supervise) our website.

Goals & Priorities

(List short- and long-term goals in decreasing order of importance.)

- Start Project Plan
- Start SRS
- Start Project History
- Update Logs

Needs

(List any help you need from upper management.)

Which of our proposed projects have been accepted?
